

Isolation at home	Year 2	Term 1	Week 4 Mon 14 th – Fri 18 th Feb
-------------------	--------	--------	-----------------------------------------------------------

English

Daily Write

Do this every day

15 minutes

Happy Valentine's Day! Hug (or elbow touch) someone you LOVE!

Write SENTENCES about coming back to your home in 10 years!

- then in 20 years
- then in 30 years
- then in 40 years
- then in 50 years!

I have just seen my childhood home, after 50 years and did not even recognise it! I was surprised by how different it looked to the memories and picture I had in my mind.

Describe the changes you think may take place in 50 years at your childhood home, and how these changes make you feel.

English

Writing an INFORMATIVE TEXT

20 minutes

Thinking of your favourite animal, write a **report** on your chosen animal. Remember a report contains facts and information about your chosen animal. Use these headings to help you frame your thinking:

- *Appearance (exactly what they look like, in details)*
- *Habitat (where they live in the world and what sort of place)*
- *Diet (what they eat)*
- *Predators (who or what hunts and eats them)*
- *Interesting facts or features*

*See mine on **Cats** below. I have used a mind map to organise my thinking.*

<p>Appearance</p> <p>Cats have four paws, a long tail and are covered in soft fur. The fur can be long or short, depending on the type of cat. They have sharp teeth and claws, to help hunt.</p>	<p>Habitat</p> <p>Cats can be found in most countries. Generally, they live in homes with people. They are able to live in the natural world but they are a threat to wild life.</p>
<p>Diet</p> <p>Cats are carnivores. They eat dry and wet food provided by humans. Some cats eat insects. They can attack native animals.</p>	<p>Predators</p> <p>Some wild life are enemies of cats, eg, foxes, wild dogs. Cats can also be in danger from cars.</p>

English

Reading

15-20 minutes

Find a recipe from a magazine or from a cookbook at home. Is the photo appealing to your eyes and your tummy? What do you **not** understand? Are there any ingredients that you don't know or don't like? Was this a reading activity you enjoyed?

Maths

20 – 30 minutes

Think Mentals

Mathletics: <https://login.mathletics.com/>

Teachers will **assign tasks**. Click on the link above and log in to complete your assigned Mathletics tasks.

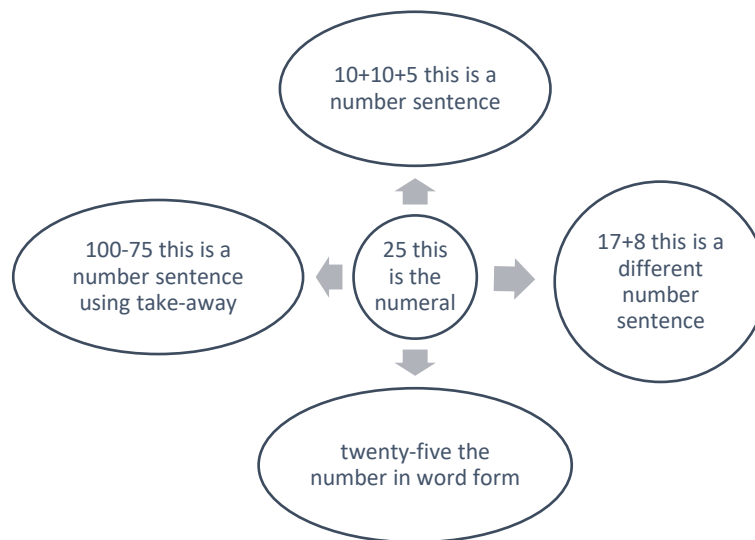

Use an old magazine or shopping junk mail to cut up pictures that show groups of 10.

EXAMPLE: You can cut out photos and put them together to show a group of 25 cars.

Write in words: twenty-five

Show ways of making 25: $20+5=25$ $30-5=25$

If you don't have any magazines you can cut up, you can draw and label your own.

HASS

20 – 30 minutes

Recognise that different places have different meanings for different people and why you should look after and care for the features of these places.

Discuss with your family
Choose a place that is significant (important) to you.
Eg: Bushwalking at Mt Coot-tha
Write why this place is important.
What it means to you and how you would feel if this place was redeveloped

Make a list of what's so appealing about your special place and why it is special to you.
